and bring anyone who you may think would be  
interested in finding out more.

Regards to all - Ann 0418 921 216

THE CLUB OF CHAMPIONS SINCE 1965

Club Torque

## Presidents Report

Due to Andrew stepping down as President, and my stepping up I would like to welcome Alan Bird to the Vice President's role and David Burton to the general committee. Thank you, gentlemen.

As with Rally, our club must consider a succession plan so the club can move forward and have a presence in the rally community. If you can offer one Wednesday a month whether as a general committee member or Office bearer, I would love to chat with you.

Strange times, we are over halfway into 2020 with only one round of WARC run.

18<sup>th</sup> July saw the first event, Truck Wholesale Bakers Hill rally sprint, run at Winvale Park complex Bakers Hill. Little did we know that Saturday in November when a group of enthusiastic people put their hands up to run a rally sprint that it would become a challenge and be postponed due to a pandemic and resume with only 6 weeks to bring it to fruition. I would like to thank all that made it possible and hope we haven't scared them away.

The organising committee comprise of:

**Mike Evans** – trainee Clerk of Course, involved with Rally Oz days in Team RAP and back in Perth.

**Diedre Shocker**, put her hand up for Deputy Clerk of Course, not new to WA Rally however wanted to try another role other than SOS, **Alex Turton** who took on two roles, Secretary and Stage Commander, came with it challenges.

**Mike Kerridge** took on the role of Road 1 & 000 and did a great job, spending many a weekend up at Winvale Park working on the matrix, especially as the course changed after Covid 19.

**Dylan Jackson and Bernie O'Brien** took on the roles of stage setters and also spent a few weekends getting familiar with their stages.

**Christian Ball and David Moyle** took on the roles of Rally Base.

And a role that I believe can be a challenge and many sleepless nights, Officials coordinator **Megan Peek**, if that didn't drive you to drink nothing will, she did an awesome job.

SOS taking over the reins from **Richard Heffernan**, was **Bruce Napier and Rod Spinks**, who also had a dual role in sweeper. **Team Hotel**, you can't keep this team away PLUS, all the observers.

**A BIG Thank you... you all did an amazing job and hope that we see you out there again soon.**

Our next Khanacross is **Sunday 23<sup>rd</sup> August** held at Smarts Farm Toodyay, I have it on good authority that the track has been graded and ready for competition. Entries are open, see website for details. Spectators and helpers are welcome. Thank you to **Paul & Georgie Helm from Superior Custom** (4/9 Port Pirie Drive Bibra Lake 0478 788 918) for their sponsorship of the event, it is much appreciated. *Supplementary Regs attached as a separate document.*

Another big thank you goes to **Tony Flood of Flood Motorsport** (91 -93 Kew St Welshpool 9472 1800) for his generous donation of 3 quick shades. Apparently, he overheard a comment made at the last event, our timing tents were looking a bit worse for wear and not very weatherproof. Thank you

Finally, a social event – Did you know there was a FORD museum in Gidgegannup (*Bailup Farm*) and it's about a km from our house. Due to Covid 19 it has been closed however now open in September. Sunday 20<sup>th</sup> to be exact. More info on the following page. As there are BBQs on site, bring your lunch and have a break between sheds. Anyone and everyone are invited.

Well I think that is it for now.

Wendy

Please pencil these dates in as possibilities, as with everything—things can change. **Social events**—Sept Ford Museum visit proceeds to children’s hospital- A bonfire night to be held before Sept sounds interesting. Progressive Dinner could be after COVID restrictions are eased. Got a suggestion? Let us know ..we will try and organise it.

## Who knew there was a Ford Museum in Gidgegannup?

The Light Car Cub of WA is having a social day on Sunday September 20th

From 10am until 3pm.

Entry fee is \$20 per person with all proceeds going directly to the

Perth Children's Hospital Foundation.

BBQ on site so bring you lunch and eat between visits to the museum.

It will take you at least 3 hours to see all the exhibits

**As we have to advise numbers RSVP by Monday 14th September**

**Wendy 0409 315 683 or [wewalker@mmm.com](mailto:wewalker@mmm.com).**

**Everyone is welcome.**

Ford car collector Tony Pernechele has been building a spectacular display of motoring history and horsepower at his Gidgegannup property, Bailup Farm, since 2003.

Mr Pernechele started collecting Fords in the 70s and now has more than 70 vehicles

For the die-hard Ford fan Pernechele Ford Museum is a MUST!

Located 30km East of Midland / or around 45-minute drive from Perth City. 10400 Toodyay Rd.

Situated on a 94-acre property, he has one of the largest private Ford collections in Australia with most models represented and housed in a number of well-designed individual buildings.

There are big Fords, old Fords, older Fords, powerful Fords, rare Fords and elegant Fords. There are manuals, toy models, numberplates, signs, hub caps, tools and engines.

There are a few extra special cars. The 1926 Model T is one. It was once an RAC vehicle in Bunbury.

There's a 1971 Mustang which he accepted as a deposit in a business deal.

One of his favourites is a 1948 V8 Pilot, bought from a restorer.

There are a full set of Falcon GTs, stretching back to 1967.

BBQ, Tea & Coffee facilities are available on site.

Cool drinks can be purchased for a gold coin donation.

**The Ford Farm Museum** is located 30km east of Midland, WA. 10400 Toodyay Rd - believe Ford Flags mark the entry.
